It's Charity Market day on Hacienda Riquelme!!  
10.00 a.m. to 2.00 p.m. in the square of El Casón Town Center.

As part of the Care in the Community project (CIC), Hacienda Riquelme board member and Phase 5a president Chris Elliott has organised a fantastic event dedicated mainly to mobility on the resort. Amongst the participants of the event will be Salvatec. They are focused on articles and vehicles to improve the mobility of the most dependent people.

During the event, the most modern scooters on the market will be made available to attendees so that they can try them out on a closed circuit that will be set up in the same area for this purpose.

In addition, there will be a craft fair with around 12 stalls offering handmade goods, locally produced food, and drink.

All funds raised on the day will go to the Mirador-based charity P.A.P.s, who do wonderful work in rescuing and caring for dogs. Please come along and support this wonderful initiative.

# Happy Anniversary Sucina

Sunrise over the Iglesia de Nuestra Señora del Rosario in the hilltop village of Sucina.

Beautiful, busy and beloved by so many, this year the village celebrates its 280th anniversary - and, coming this July and August, the ILoveSucina festival will be back, with music lasting long into the summer nights, every Friday and Saturday in Plaza Arteaga. Summer is nearly here...
