# I LOVE SUCINA

We were delighted to welcome the Mayor of Sucina David García Rodríguez and Fátima to our office this afternoon and to reach an agreement to be the principal sponsors for the fantastic iLoveSucina festival for another year.

The festival takes place throughout July and August, with concerts in Plaza Arteaga every Friday and Saturday night with the restaurants having tables out on the streets.

It's a wonderful opportunity to dine out under the stars and enjoy some fantastic music. Hope to see you there!!

# PROUD SPONSORS

It was a lovely afternoon yesterday in our office, to meet with Stuart Charlton, founder and president of Club Ciclismo Sucina. We've been very proud to be the main sponsor of the club since it was founded, and yesterday agreed to renew our partnership for 3 more years.

The club is a wonderful way to meet new friends, explore the area and enjoy all the health benefits cycling brings, and, it's been wonderful to see a number of our clients who've bought on the resorts, join the club. Everyone is welcome, regardless of experience or ability, it's a fantastic club and well worth joining.

If you would like more information, please message Stuart on the contact form below:

# Care 24/7 & SUPPORT

The lifestyle on the resorts is unmatched. The stunning pools, beautiful golf courses and superb lifestyle each of the resorts offers, draws buyers from across the world.

But, there's so much more to life on the resorts, that makes calling them home, such a privilege.

The support the security teams offer allows owners the opportunity to relax, unwind and leave the stresses of the outside world behind, creating a world of comfort, reassurance & constant help. Yesterday I called the Vigilant security team on Mar Menor, & asked them to make a check - and they attended within 30 seconds.

From medical emergencies to a friendly wave, the security personal across the resorts mean that when you are away, your home is secure & protected, and when on the resort, you have 24/7 care & support.

So you, and your loved ones, can truly unwind and enjoy the spectacular pools and lifestyle these amazing resorts offer.

Thank you to all the security staff. You do an incredible job.
